FRESH & CRUSTY

## SIMPLE & HYGIENIC PRESENTATION

Flexible and adjustable wooden shelving made of quality wood with plexiglass screen. The presentation in clear compartments underlines the freshness of the products on display.

Food tongs, disposable gloves, paper bags and waste containers are provided to ensure the bakery goods are handled hygienically. The goods are cleanly sorted with clear divisions behind the plexiglass screens.

Sloping shelves shield the work area behind the display cabinets from inquisitive glances. The eye is drawn to the bakery goods on display. The compartments can be filled by staff from the rear or side. Customers remove items from the front, the plexiglass acts as a hygienic screen to keep products fresh.
