

EuroShop 2023: Website news

EUROSHOP 2023 – THE INDUSTRY MEET-UP IN DÜSSELDORF

From **26 February to 2 March**, Düsseldorf's world-leading trade fair will once again be opening its doors. We promise that a visit to **EuroShop 2023** is worth it!

We will welcome you to the **Tegometall Showroom at Stand D38 in Hall 10**. There, you will have the opportunity to familiarise yourselves with our flexible shelving systems like TegoClassic, but also the various customisation options available using DecoCoat. Our team is ready to answer all your questions – from shopfitting and storage to our sustainable production and success strategy, which we are currently employing to ensure reliable supply chains in the current global crisis. We are sure to find the ideal solution for your application in an in-person meeting. Refreshments will be provided throughout the event by our service team at the Tegometall bar.

Come and see for yourself at Stand D38 in Hall 10 at EuroShop 2023.

We look forward to seeing you.

Reliability to our core
